

- Started at 7:10, July 5, 2017
- June General Minutes: Tod motioned to accept, Frank seconded, passed
- Treasury Report: \$14348.72, 97 members, Tod motioned to accept, Millie seconded, passed
- Action Team Update: 2 burglaries, 2 stolen vehicles, 7 auto burglaries, 1 robbery
- Code Enforcement Update: Less complaints overall

Hurricane Preparedness - The city gave us 15 kits to give away.

Upcoming/On going Association Initiatives:

- A monthly newsletter will get started in August. It could include advertising. It should be formatted for print.
- Membership card or key fob with possible perks at local businesses, are being looked into.
- Dog park update - talks with DOT still underway but the project is still happening.
- Monthly Cleanup Crews - started in March. Continues every month. Takes place the last Saturday of the month. Everyone is welcome.
- Residents in Gill Isles want speed humps. The association will help in any way it can. We'll get a new study done on 18th ave in the fall when it's busier. Maybe at a three way stop if the speed humps can't be put in.

We challenge everyone to bring a new person to a meeting in the future.

Sept 16 will be a "meet your neighbor" block party. It's a citywide event. But each neighborhood will hold their own party.

Fall Festival Flea market is being planned by the entertainment committee. It was suggested to sell pumpkins at the event.

Ended at 7:50 pm
